PROFESSIONAL SUMMARY

Growth product and integrated marketing lead with **7+ years** across agency, in-house, and founder roles, building **0-to-1 growth systems** and **creator-led programs** for Gen Z/social communities. Built **full-funnel growth systems** spanning user insight, positioning, content strategy, **creator/KOL activation**, campus/community channels, **paid media**, offline-to-online conversion, lifecycle messaging, performance review, and **AI-native product/workflow prototypes**.

Most relevant to RedNote: built **content/community-led acquisition and activation systems**, **0-to-1 social product loops**, creator ecosystem workflows, and AI-native growth tools, with proof across DITTO (**800% user growth**, **150K+ users**, **100K+ sign-ups across 733 U.S. colleges**), PandaPal/SWAP, RED/TikTok (**1M views -> 1,000 sign-ups**), a **#1 RED copywriting AI agent** (**12.4K users / 81K conversations**), and DPU-style growth workflows (**250+ docs / 500+ knowledge nodes**).

SELECTED FIT FOR REDNOTE GROWTH PRODUCT

- Led DITTO campus growth and activation systems, driving **800% user growth**, **150K+ cumulative users**, and **100K+ campaign sign-ups** through campus, community, brand partnership, and offline-to-online channels.
- Co-led one of DITTO's largest **strategic brand partnerships** and campus activation campaigns, covering **733 U.S. colleges** and proving the ability to scale partner-led consumer growth across North America.
- Founded and productized **PandaPal** and co-founded **SWAP**, defining user scenarios, product narratives, feature modules, prototype/demo materials, business/GTM plans, onboarding content, and community activation loops from 0 to 1.
- Built RED/TikTok-led growth loops with **100K+ community reach**, **2,000+ creator/KOL resources**, a RED account grown from **0 to 7K+ followers**, and a first note that reached **1M views** and converted **1,000 targeted users**.
- Built AI-native growth/product workflows across **DPU**, InfluencerOps, field marketing, creator operations, campaign planning, internal knowledge retrieval, and RED copywriting automation.

PROFESSIONAL EXPERIENCE

Marketing Director & Growth Product Consultant | DITTO.AI (AI-Native Dating Platform)

Los Angeles, CA | Nov 2025 - Present

- Led campus growth and community strategy with a **30+ member marketing & BD team**, driving **800% user growth** and adding **150K+ cumulative users**; growth metrics supported the company's **\$10M fundraising**.
- Co-led one of DITTO's largest **strategic brand partnerships** and campus activation campaigns, covering **733 U.S. colleges** and generating **100K+ sign-ups**.
- Mapped the **offline-to-online activation journey** from poster / QR exposure and school-specific landing pages to low-friction onboarding, profile setup, first value moment, and segmented follow-up; used **UTM and channel-quality signals** to identify higher-intent communities and turn repeated campaigns into reusable growth playbooks.
- Validated **high-conversion community channels** with a **26.8% email verification rate**, approximately **20x above** the platform average, proving the value of precision community targeting over broad acquisition.
- Operated multi-platform communities across **Discord, Telegram, and WeChat** with **40K+ total members**; built ambassador leaderboards, campaign calendars, and channel-quality tracking to improve execution speed and repeatability.
- Built reusable growth playbooks across campus activation, creator/influencer operations, field marketing, partner onboarding, and post-campaign conversion, reducing partner onboarding time by **60%**.
- Built AI-native product and growth workflows for DITTO, including **DPU**, creator/influencer operations, field marketing playbooks, campaign planning systems, and internal knowledge retrieval tools with **250+ docs** and **500+ knowledge nodes**.

Founder & Growth Product Lead | PANDAPAL

Overseas-Student Lifestyle / Social Product & Creator Ecosystem | Los Angeles, CA | Aug 2021 - Jan 2025

- Founded and led **PandaPal** from 0 to 1 as an overseas-student lifestyle/social product; defined **Panda Map**, **Panda Digest**, and **Panda Mall** around nearby connection, campus/life information, rentals, resale, local services, UGC discussion, and Asian commerce scenarios.
- Translated user research into product and business artifacts, including **500+ survey responses**, competitor research, user scenarios, BP/PRD/BRD, roadmap, prototype/UI direction, product video, WeChat mini-app early-access demo, and freemium / advertising / premium / commission monetization model.
- Prioritized PandaPal's MVP around **high-frequency overseas-student needs**, choosing local discovery, campus information, resale/rental, community discussion, and Asian commerce scenarios based on **survey feedback**, **user urgency**, **content supply**, **community density**, and **monetization potential**.
- Built a **0-to-1 creator/community growth system** reaching **100K+ members** across RED, TikTok, Discord, Telegram, and WeChat through content-led campaigns, creator partnerships, campus channels, and private-community conversion.
- Grew a RED account from **0 to 7K+ followers** through organic content; first note reached **1M views** and converted **1,000 targeted users** into private community channels, validating a low-cost content -> community -> conversion loop.
- Built and activated **2,000+ influencer resources** across RED, TikTok, Instagram, and creator communities; delivered creator/KOL solutions for **200+ brands** and validated **3 monetization models**.
- Built a **RED Viral Copywriting AI Agent** on Coze, translating RED content patterns into a scalable workflow; ranked **#1** on RED's copywriting tool leaderboard with **12,400+ users** and **81,000+ conversations**.

Growth Marketing & Business Development Manager | ENCMOBILE (MEGATEL NETCOM CORPORATION)
